

PRODUCT CERTIFICATE

(Reg.-Nr. VAS-00730-11)

This product certificate attests the manufacturer and manufacturing plant:

Salzgitter Flachstahl GmbH
Eisenhüttenstraße 99
38239 Salzgitter
Germany

that the corrosion protection system listed below

Corrosion protection system	Metal coating	Nominal layer thickness organic coating [µm]	Properties according to the manufacturer's proof of suitability
			Resistance according to DIN 55634-1
FolaSal®egis®	Z275	50	C4-H / C5-M

is subjected to factory production control and external monitoring by the notified body NB0769 respectively officially recognized testing, monitoring and certification body BWU02

Versuchsanstalt für Stahl, Holz und Steine
Karlsruher Institut für Technologie (KIT)
76128 Karlsruhe
Germany

and that the manufacturer complies with the provisions of the relevant technical standards

- DIN 55634-1:2025-08
- DIN 55634-2:2025-08

This product certificate does not entitle the manufacturer to mark the product with the CE or Ü mark.

Validity of the product certificate: from 16 October 2025 to 15 October 2030

Karlsruhe, 4 November 2025

Head of the certification body
Univ.-Prof. Dr.-Ing. T. Ummenhofer
